Cash prizes awarded in National Elimination Round Drawings are subject to Federal/State Withholdings.

Entries must be received by the Entry Deadline to be eligible for the drawing. Players may enter multiple times, but each entry should be mailed separately. Entrants must be a Louisiana resident at least 21 years of age to be eligible to win. Entrants may only win one (1) prize per drawing.

Valid Entries

A valid entry is at least one (1) original, non-winning 5-board Louisiana Powerball ticket good for any single drawing during the promotional period of May 20, 2024 to July 1, 2024 submitted in accordance with Louisiana Lottery rules, regulations, procedures and State Law, and received by the entry deadline.

In the event an envelope contains a winning play, and the remaining eligible non-winning plays is reduced to less than the required minimum of five (5) boards, that entry will be deemed invalid and therefore disqualified.

Only envelopes mailed to Powerball 2nd Chance Drawing, P.O. Box 92006, Baton Rouge, LA 70892 will be considered valid for participation in the drawing. No entries will be accepted at Louisiana Lottery Corporation offices, by retailers, or in regular mail. If any misdirected entry is received at a Lottery or retailer location, the recipient shall document the circumstances of his or her receipt of the purported entry and forward the documentation and entry to the Drawing Coordinator for review, determination of ineligibility, and ultimate destruction.

Envelopes received should be no larger than 4.5" x 9.5" and should have no unusual markings on the outside. Oversized envelopes or those not conforming to specifications will be rejected and destroyed unopened.

All mail becomes the property of the Louisiana Lottery Corporation.

Mailing of an envelope as an entry in the Louisiana Lottery NASCAR Powerball Playoff™ Drawing forfeits every right of ownership in each ticket contained in the envelope, whether the ticket is a winning or non-winning ticket, except the right to qualify as an entry in the Louisiana Lottery NASCAR Powerball Playoff™ Drawing. The Lottery is under no obligation to locate or allow access to any person to search for any envelope or ticket.

The Lottery will not accept any responsibility for mail received at the Louisiana Lottery NASCAR Powerball Playoff™ 2nd Chance Drawing Post Office box that is not intended to be considered for participation in the drawing. For example, a prize claim mailed unintentionally to the Louisiana Lottery NASCAR Powerball Playoff™ Drawing Post Office box or mail otherwise not intended to be included in the drawing will be considered lost. The Lottery will make no attempt to locate such misdirected mail and will make no attempt to search for such items before the drawings or the ultimate destruction of the envelopes. Should a valid cash prize claim mistakenly mailed to the Louisiana Lottery NASCAR Powerball Playoff™ Drawing Post Office box be discovered in the ordinary course of the drawing process and the remaining eligible non-winning plays is reduced to less than the required minimum of five (5) boards, the claim and envelope will be treated as disqualified for drawing entry purposes and will be further processed on its merits as a cash prize claim.

Transportation of Envelopes

Drawing Officials and/or Mail Room personnel shall have the responsibility for picking up and transporting envelopes from the Post Office.

The envelopes will ultimately be stored at the Distribution Center which features a dual-key access locking system, requiring joint participation of the Drawing Official and a Lottery Security Officer.

Prior to storing the envelopes at the Distribution Center, the envelopes shall be transferred to mailbags or a secure container and will be sealed by the Drawing Official or designee. Each mailbag or secure container will be labeled "Powerball 2nd-Chance Drawing". The number of mailbags received will be recorded on a form and dated and initialed by the Drawing Official and Security Officer. The seals will remain intact until removed, in the presence of an external auditor, hereinafter designated "Auditor", during the course of the drawing process.

Drawing Officials

The Drawing Coordinator, or his or her authorized designee, shall serve as the Drawing Official, and shall be responsible for the conduct of the drawing in accordance with this directive. The drawing shall be witnessed by a member of the Legislative Auditor's staff. The Drawing Official and the Auditor will monitor and record the results of the drawing. The Drawing Official will have the responsibility of validating the tickets selected, recording and distributing winner information to the appropriate parties, and providing a report of the drawing. The drawing report must be signed by both the Drawing Official and the Auditor and shall note any unusual occurrences or variations from the procedures outlined herein, and shall include the names and initials of any other official witness or participant in the drawing.

Pre-Drawing Procedures

The entry deadline and the schedule for the drawing is outlined on Page 2 of this directive or will be announced by the President. Prior to the drawing, the Drawing Official shall arrange all of the mailbags in which the envelopes are contained for the selection process. The Drawing Official and the Auditor shall record the total number of mailbags received for the drawing and shall make an estimate of the total volume of entry envelopes received and eligible for the drawing.

Drawing

In the presence of the Drawing Official and Auditor, the Louisiana Lottery NASCAR Powerball Playoff™ Drawing shall be conducted in two components: the first, a mailbag selection process and second, the winner selection component.

The drawing process will commence with the selection of three (3) mailbags containing envelopes with non-winning entry tickets from the Louisiana Lottery NASCAR Powerball Playoff™ Promotion. The mailbag selection process will be conducted on the announced day of the drawing. Each mailbag received by the entry deadline will be eligible for the drawing to be held that day.

The first stage of the drawing process will begin with the sequential numbering of each mailbag containing the non-winning entry envelopes. Separate envelopes will be prepared, each

containing a number corresponding to a numbered mailbag. Each sealed envelope will be deposited into a small drum. The drum shall be rotated at least five times to provide a thorough mix of envelopes. The Drawing Coordinator or designee will then draw three envelopes one at a time. The mailbags corresponding to the number in each envelope shall be entered into the winner selection process. The remaining bags will be tagged for destruction.

Any mail received after the entry deadline will be destroyed.

The winner(s) selection component of the drawing shall be held as soon as possible after the selection of the mailbag and will also be held at the Lottery Distribution Center.

Drawing Procedures

The seals on the selected mailbags will be checked by the Auditor. Upon verification, the contents of the mailbags will be emptied into a large container and the container will be mixed to ensure an adequate mixing of the envelopes.

The Drawing Official or designee shall make the random selection of forty (40) envelopes from the container. He or she shall draw the envelopes, and each will be numbered accordingly (envelopes #1 through #40). The container should be rotated intermittently throughout the envelope selection to ensure an adequate mix of the envelopes. Each envelope will be sequentially numbered before another envelope is selected. The procedure will be repeated until forty (40) envelopes have been selected from the drawing container.

The selection process will proceed with the opening and validation of the envelopes drawn, in the order drawn, commencing with the first such envelope selected. Commencing with the first envelope, the Drawing Official will then determine if the envelope meets the specifications required and will open the envelope to determine that it contains a valid entry. A valid entry consists of one (1) envelope with at least one (1) original, non-winning 5-board Louisiana Powerball ticket good for any single drawing during the promotional period of May 20, 2024 to July 1, 2024. Eligibility is also subject to promotional directives issued by the Lottery.

Entry Qualification for Drawings

The following guidelines should be considered by the Drawing Official and Auditor in the determination of whether an entry envelope selected in the procedure outlined above is eligible for further consideration, once the validity of the entry is established.

1. Legibility

The name, address, email and phone number of the ticket holder is written or printed, in legible form, on the back of the ticket in the envelope, or can be found, in part, in legible form on the envelope. The Drawing Official must determine whether the information provided is sufficiently legible to determine the identity of the ticket holder. In addition to being legible, if the address is not a Louisiana address, the entry shall be disqualified.

2. Completeness

If the required information is not included on the ticket or the envelope, or a combination thereof, the Drawing Official and Auditor must determine whether there is sufficient information available to identify and contact the ticket holder. If the determination is made that insufficient information is available to identify the ticket holder and contact them by email or telephone, the entry will be disqualified, and the selection process will proceed to the next envelope in the drawing sequence. In the event that information is included on the envelope, rather than on the ticket, the Drawing Official may accept the information thus provided. However, if the name on the envelope is different than the name on the ticket, only the information provided on the ticket will be considered.

3. Multiple Names

In the event that the ticket contains the names of more than one person, i.e. "John and Mary Smith", only the first listed name will be considered. In the example cited, the winner would be John Smith. Only one entry or individual's entries may be a winner. If the names of more than one person appear, individually, on separate entry tickets in an envelope, the entry shall be disqualified.

4. Clubs/Groups

A group, club, organization or other entity may be an eligible winner, i.e., "ACME Corporation, Office Pool". Such an entry will be required to produce a Federal Employer's Identification Number (FEIN) before receiving any prize. One individual must be identified on the ticket as the representative of the group or entity and that person must be an officer or official of the entity. A non-profit entity is eligible to participate, but must provide proof of its non-profit status for purposes of applicable withholding requirements.

5. Multiple Winners

While it is highly unlikely, it is possible that the same individual might be drawn twice in the drawing. Should this occur, the second envelope will be disqualified.

Determination of Winners

The first twenty-five (25) envelopes verified to meet all the preliminary qualifications will be designated as apparent Louisiana Semifinalist winners. The remaining envelopes drawn and not opened will be returned unopened to the drawing bin.

Post-Drawing

Once twenty-five (25) entries have been verified, the envelopes remaining in the drawing bin shall be transferred to the previous mailbags or secure containers and marked for destruction.

Winner Notification

The apparent Louisiana Semifinalist winners will be notified by the Louisiana Lottery Communications Staff using the email and/or phone number provided on their entry and asked to provide a copy of a valid photo ID verifying age and residency and written acknowledgement of Exhibit B: Trip Prize Terms and Conditions. Apparent Louisiana Semifinalist winner's photo ID will be used to confirm the winner is a Louisiana resident who is at least 21 years of age. If this cannot be established, they will be disqualified. Apparent Louisiana Semifinalist winners have seven (7) calendar days from this communication to respond with the requested information or they may be disqualified. Alternates will not be assigned.

The name of each verified Louisiana Semifinalist, up to twenty-five (25) names, will be submitted by August 8, 2024 to the Multistate Lottery Association to select sixteen (16) National Semifinalists to participate in a series of elimination round drawings that culminate in a \$1 million prize broadcast live during the NASCAR Cup Series Championship Race™ in Phoenix on Nov. 10, 2024.

Winner Disqualification

It is possible after validation of an entry and qualification of a winner that it may be determined that the individual selected is not actually eligible to win a Lottery prize. For example, the winner may be determined to be a relative of a Lottery employee or otherwise disqualified by law or Lottery Rules to participate in the drawing process. Should this occur, an alternate will not be selected.

Envelope Destruction

Pending destruction of the remaining envelopes not selected in the drawing process, the mailbags will be marked to ensure that the envelopes contained therein are destroyed. As soon as is practicable after the drawing, the non-winning tickets will be destroyed in a manner set forth by the Louisiana Lottery Corporation.

Drawing Report

Within 48 hours after the drawing, the Drawing Officer must submit a report to the president on a prescribed form that notes the observance of all procedures, any variations from the procedures, and includes the names and initials of all official drawing participants and witnesses.

This directive is adopted as of the date shown below. Any amendments to this directive must be dated and signed, with revisions indicated in capital letters and the sequential number of the revised version indicated.

- Finalist (or their proxy) may also have the opportunity to participate in the recording and production of the Program and/or appear in the broadcast of the Program, provided that Finalist completes and signs all required releases and forms and consents to a background check. If Finalist appoints a proxy, the proxy must complete and sign all required releases and clear the background check in order to take the trip. In the event that Finalist's designated proxy does not clear the background check, Prize Provider reserves the right, in its sole discretion, either to (i) allow Finalist to appoint another proxy to take the trip (subject to background clearance and Prize Provider deadlines); or (ii) allow proxy to travel and to appoint a second proxy (selected by Prize Provider) to participate in the Program.
- For the avoidance of doubt, Finalist's eligibility to participate in the trip and/or the drawing for the \$1 Million Prize is not affected by Winner's failure to complete and sign all required release and forms and/or to consent to a background check and/or by any information obtained pursuant to a background check, but those failures may affect the nature of his/her appearance and/or degree of participation in the Program. While Finalist's eligibility to participate in the drawing for the \$1 Million Prize is an element of the Trip Prize, the opportunity to participate in the recording and production of the Program and/or appear in the broadcast of the Program is expressly NOT an element of the Trip Prize and is determined by Prize Provider in its sole discretion. Prize Provider reserves the right to appoint a proxy to appear and participate in the Program for Finalist for any reason as it may determine in its sole discretion. The appointment of any proxy shall not affect Finalist's eligibility for the \$1 Million Prize.

- If Finalist appoints a proxy (or has a proxy appointed), Finalist will still remain eligible to win the \$1 Million Prize. Finalist may only transfer the Trip Prize (excluding eligibility for the \$1 Million Grand Prize drawing) in its entirety one (1) time to a proxy.
- Prize Provider reserves the right to appoint a proxy to appear and participate in the broadcast of the Program for Finalist for any reason as it may determine in its sole discretion. The appointment of any proxy shall not affect Finalist's eligibility for the \$1 Million Grand Prize or receipt of the Trip Prize.

Guest must also execute all releases and forms required by the Participating Lottery, and comply with all applicable federal, state, and local government and/or agency laws, rules, orders, and regulations as well as Prize Provider's rules, regulations, and/or safety guidelines.

By accepting any ticketed portion of the Trip Prize, Finalist agrees to abide by any terms, conditions, and restrictions provided by the ticket. - If Finalist misses their flight for any reason, reasonable efforts will be used to reschedule the flight at Finalist's expense. If the flight is not able to be rescheduled in a reasonable time for Finalist's participation in the Events, (i) Finalist shall forfeit and not participate in the travel portion of the Trip Prize, including attendance at and participation in the Events; (ii) Finalist will still receive the two (2) Souvenir Gift Bags (less any tax withholdings and any outstanding debt setoff, if applicable); and (iii) Finalist will remain eligible for the \$1 Million Prize drawing.

Bags (less any tax withholdings and any outstanding debt setoff, if applicable); and (iii) Finalist will remain eligible for the \$1 Million Grand Prize drawing

- If Finalist fails to attend the Event at which the \$1 Million Grand Prize drawing occurs, Finalist will remain eligible for the \$1 Million Grand Prize drawing.

In any of the foregoing events, a proxy may be appointed to accept the \$1 Million Grand Prize on Finalist's behalf at the time of the drawing; however, in such event, Finalist will still receive the \$1 Million Grand Prize (less any tax withholdings and outstanding debt setoff, if applicable).

Finalists who do not elect to take a guest, or whose Guest, for any reason, does not actually take the trip, are still subject to the full amount of any taxes due on the total value of the Trip Prize. The appropriate Participating Lotteries will determine, and collect taxes due on the Trip Prize, and other tiers of cash prizing, as well as the \$1 Million Prize.

Failure to respond and/or execute and return required releases, forms, and other documentation and/or failure to collect, properly claim, respond, and/or cooperate in the acceptance, receipt, delivery, and/or fulfillment of any element of the Trip Prize, in a manner required by Prize Provider, may result in forfeiture of the Trip Prize or the applicable element thereof, as Prize Provider may determine in its sole discretion. If forfeited for any reason, Finalist will not receive any other prize substitution or compensation of any kind, and Prize Provider may award the Trip Prize to an alternate recipient as it may determine in its sole discretion. If the Trip Prize cannot be fulfilled due to any federal, state, and/or local government and/or agency, network, or Prize Provider restrictions, regulations, guidelines, or risk assessments, Prize Provider reserves the right, in its sole and complete discretion, to substitute an alternate or substitute prize of reasonably comparable value as determined by Prize Provider in its sole discretion.

Notwithstanding anything to the contrary herein, officers, directors, members, managers, agents, assigns, successors, employees, and contractors of Multi-State Lottery Association, Participating Lotteries, National Association for Stock Car Auto Racing, LLC, Phoenix Speedway, LLC d/b/a Phoenix, and NASCAR Enterprises, LLC and each of their respective parent, subsidiary, shareholders, and/or affiliated entities ("Released Parties") and members of the immediate family (e.g., parents, spouse, children, siblings, grandparents, stepparents, stepchildren, and stepsiblings and their respective spouses, regardless of where they reside) of any of the foregoing individuals are ineligible to participate in the POWERBALL's NASCAR Playoff™ promotion and/or win a Trip Prize and/or the \$1 Million Grand Prize.

RELEASED PARTIES ARE NOT RESPONSIBLE OR LIABLE, IN ANY WAY, FOR ANY PERSONAL INJURIES, DEATH, PROPERTY DAMAGE, OR OTHER DAMAGES OR EXPENSES RESULTING FROM OR ARISING OUT OF ANY ACCEPTANCE, FULFILLMENT, LOSS, USE, OR MISUSE OF THE TRIP PRIZE, ANY ELEMENT THEREOF, AND/OR THE \$1 MILLION PRIZE, EXCEPT THAT THE \$1 MILLION GRAND PRIZE WILL BE PROVIDED BY THE PARTICIPATING LOTTERY OF THE FINALIST SELECTED IN THE DRAWING SCHEDULED TO BE HELD ON NOVEMBER 10, 2024 AT THE PHOENIX RACEWAY .
